A. Who Must Pay into the AUSF

The AUSF is funded by Intrastate Telecommunications Carriers that provide the telecommunications services within the State of Alaska listed on Tariff Sheet No. 15. Such Intrastate Telecommunications Carriers whose payments would exceed \$100 per year and/or who have received AUSF support during the calendar year shall make monthly payments to the AUSF at the approved surcharge rate. An Intrastate Telecommunications Carrier may recover the amount of its payment to the AUSF from its intrastate retail telecommunications service customers.

B. Notification of Surcharge

AUSAC will notify carriers subject to payment of the surcharge of the amount and effective date of the initial surcharge, and all subsequent adjustments of the surcharge, by mail or facsimile delivery to each subject company's principal place of business in Alaska as identified in the records of the Commission.

C. Calculation of Payments to AUSF

All carriers subject to payment of the surcharge shall make monthly payments to the AUSF, calculated by applying the approved amount of the surcharge to the gross amount of End User Revenues for which bills were rendered in the preceding calendar month. The calculation shall be shown on a form prescribed by the Alaska Universal Service Administrative Company and approved by the Commission, known as the "Carrier Remittance Worksheet" and signed by a responsible agent of the company submitting the payments.

D. When and Where to File

2. Payments due of sums greater than \$500.00 shall be made by wire transfer or Electronic Fund Transfer (EFT) directly to AUSAC's AUSF bank account on or before the 20th calendar day of each month. If this due date is a local bank holiday, funds shall be wire transferred or EFT on the prior workday. Payments of \$500.00 or less may be paid via check made payable to "Alaska Universal Service Fund", and mailed in time to arrive at AUSAC's office no later than the 20th calendar day of each month.
3. If EFT is technically not feasible, payment will be made by check mailed in time to be received prior to the 20th calendar day of the month with immediately available funds on the due date.

E. Interest and Damages on Late Payments

In addition to interest, if payment is not received in immediately available funds within two working (2) days of the due date, a one-time liquidated damages sum equal to one percent (1%) of the total amount due will be charged.

F. Filing Revisions

Revisions may be made to the Carrier Remittance Worksheet to correct revenue amounts or payment amounts previously reported.
